

Cush Consulting Group

Social impact collaborators for educational, philanthropic and socio-cultural initiatives.

Our Purpose

The company's purpose is to contribute to community development initiatives through educational, philanthropic and socio cultural initiatives.

Our Philosophy

We believe in social impact initiatives through an educational, philanthropic and cultural framework. We believe in utilizing educational agendas to supplement learning and development outcomes, philanthropic strategies to facilitate resource distribution and socio cultural affairs to promote intellectual diversity. We believe in efficiency, high ethical standards and accountability. Our philosophy is centered in giving and our work is a manifestation of its purpose.

Our Goal

The company's goal is to be a full fledged social impact investment firm by 2041. With a vision to create community development investment portfolios in select communities of North America, Europe, the Middle East and Africa, we have to vision to become major projects funders globally.

Overview

Cush Consulting Group is a project strategy, implementation and administrative firm that focuses on educational, philanthropic and socio cultural affairs. The official journey for the company began in Chicago Illinois, a major midwestern American city known for its progressive cultural programs, sophistication and professional diversity. The demand for consultants in the non profit sector coupled with seed capital propelled the company's official formation in June of 2011. Since then, the firm has experienced growth, maintained stability and expanded services into global communities.

The Founder

Cush Consulting Group is the brainchild of [Laurat Titilola Ogunjobi, PMP, CFRE, CBA, CTW, CID-TESOL](#). As a scholarship recipient of Cornell University's Women's Entrepreneurship program, and the holder of several project management, fundraising and business analytic certifications, Laurat has a expansive history in consulting, subcontracting and employment with successful American and international companies. Not only does she moderate at conferences, contribute to scholarly content and share her expertise, but she is also an educator that has worked on various educational projects internationally.
